DISCLOSURE OF OWNERSHIP AND CONTROL INTEREST STATEMENT
PART 2

General Instructions

Federal Medicaid regulations (42 CFR 455.100 – .106) require that all Medicaid providers disclose the name, address, and other identifying information for each person with an ownership or control interest in the provider and any subcontractor in which the provider has a 5% or more interest. All applicants, except an individual practitioner or group of practitioners as defined in 42 CFR 455.101, must complete this form in order to enroll as a provider in the Medicaid program. The provider must also screen all employees and subcontractors to determine whether they have been excluded from participation in Medicare, Medicaid, the State Children's Health Insurance Program (SCHIP) and/or all federal health care programs. Any individual or entity that employs or contracts with an excluded provider cannot claim reimbursement from Medicaid for any items or services furnished, authorized, or prescribed by the excluded provider.

Please answer all questions as of the **current date**. If the "**Yes**" block for an item is checked, list the requested additional information in the area provided; attach additional pages and/or documentation as needed, referencing the item number to which the information corresponds. Return the original to the South Carolina Department of Health and Human Services (SCDHHS); retain a copy for your files. Failure to provide this form and/or incomplete information will result in a refusal by SCDHHS to enter into an agreement or contract with any such provider or institution or in termination of existing agreements.

This form is to be completed for all programs established by Title XIX and Title XXI and **must be submitted within 35 days of any changes to provider information.** Completion and submission of this form is a condition of approval or renewal of a contract or agreement between the disclosing entity and SCDHHS. Any substantial delay in completing the form should be reported to SCDHHS.

Disclosure of Social Security Number (SSN): Disclosure of a SSN is used for the purpose of determining whether persons and entities named in an application are federally excluded parties and to verify licensure. **Refusal to provide a SSN will result in rejection of the provider's application to participate in the Medicaid program or termination of any existing provider agreement or contract.**

I. Instructions / Definitions: Providers that must have a National Provider Identifier (NPI) must include the NPI. Ownership interest is defined as the possession of equity in the capital, the stock or the profits of the disclosing entity. ***A disclosing entity*** is a Medicaid provider (other than an individual practitioner or group of practitioners), or a fiscal agent.

Indirect ownership interest means an ownership interest in an entity that has an ownership interest in the disclosing entity. This term includes an ownership interest in any entity that has an indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if A owns 10 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership and must be reported.

Control interest is defined as the direction or management of a disclosing entity which may be maintained by any or all of the following devices: the ability or authority, expressed or reserved, to amend or change the corporate identity (i.e. joint venture agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved, to amend or change the by-laws, constitution, or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved, to control the sale of any or all of the indebtedness, to dissolve the entity, or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or
(f) Is a partner in a disclosing entity that is organized as a partnership.
